Disclosures: This List of Documents for Divorce Financial Analysis was developed and created by EP Wealth Advisors (“EPWA) and can be used as a tool to evaluate financial implications related to a divorce situation. However, this checklist is not intended to be regarded as a comprehensive list of all categories or requirements that a client or prospective client should consider when assessing the financial implication of a divorce. There are factors that may be important to you that are not considered and are not accounted for in this checklist. EPWA makes no representations or warranties as to the accuracy, timeliness, suitability, completeness, or relevance of any information presented in this report. There is no guarantee or warranty that hiring or working with an Advisor and/or Advisory Firm will increase the probability of investment success or that you will achieve higher performance or results, nor does it guarantee that you will obtain better overall client experience. All investments and investment strategies are subject to profit and loss and the risk of investment loss can never be eliminated. EPWA is not in the business of providing tax or legal services or advice. Always consult your tax advisor and/or attorney regarding your specific situation.
